Save those Dates!!!

Chers parents,

*Enter into the world of make-believe, a place where toys learn to be good toys...at **Toy Camp!** Toys have come to **Le Camp des Jouets** to hopefully graduate and earn their Price tags to be sold at toy stores. Not graduating from **Le Camp des Jouets** means certain doom at the Toy Dump! During their week at camp, our friends learn lessons in paying attention and practicing, overcoming both their fears and weaknesses. With a subtle moral about liking yourself and having confidence if you want to be loved by others, each toy realizes that it is good for something.*

The grade 6 drama students are getting ready to perform our bilingual upcoming Spring Musical play `` **Le Camp des Jouets- Toy Camp**``! Our Grade 5 students have been learning songs and dances as an important part of the production, and are expected to be present for all shows.

For this musical play, each grade 5 classes has been assigned one or two dances.

**It would be great if each student had a little prop, mask, make-up or non extravagant costume that reflects any non-violent toy.**

**Please, do not spend an unnecessary amount of money for your child's prop or costume. Something simple and inexpensive will do!**

Here are the dates and times of performances. There is no ticket sale for this play but we ask that you keep in mind that the evening performance is usually the fuller one; so we hope your family considers coming to the matinée or afternoon performance. Many classes from EPK will also be joining us during one of the day's performance.

**Dates and Times of performances:**

**Tuesday, June 13th 2017 at 13h00**

**Tuesday, June 13th 2017 at 18h30**

**Wednesday, June 14th 2017 at 10h45**

Please return this portion signed, keeping the first page with dates and times. Merci!
