Phone: 780-467-5631

Fax: 780-467-1786

Principal: Stefan Johnson

Project name:	5/6 Foods
Person responsible:	Gartner, Amie
Revenue Model:	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$30.00 fee collected for this project.
Purpose:	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in 5/6 Foods. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> • Educational presentations • Equipment replacement, school with 500+ students (maximum \$3.00 per student to a maximum balance of \$50,000) • Equipment replacement, school with less than 500 students (maximum \$4.00 per student to a maximum balance of \$35,000) • Teacher replacement time • Transportation costs
Surplus/Deficit Handling Plan:	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.
Project name:	7/8 Construction
Person responsible:	Elkow, Collin
Revenue Model:	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$55.00 fee collected for this project.

Purpose:	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in 7/8 Construction. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> • Educational presentations • Enhanced supplies • Equipment replacement, school with 500+ students (maximum \$3.00 per student to a maximum balance of \$50,000) • Equipment replacement, school with less than 500 students (maximum \$4.00 per student to a maximum balance of \$35,000) • Teacher replacement time • Transportation costs
Surplus/Deficit Handling Plan:	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.
Project name:	7/8 Foods
Person responsible:	Gartner, Amie
Revenue Model:	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$55.00 fee collected for this project.
Purpose:	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in 7/8 Foods. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> • Educational presentations • Equipment replacement, school with 500+ students (maximum \$3.00 per student to a maximum balance of \$50,000) • Equipment replacement, school with less than 500 students (maximum \$4.00 per student to a maximum balance of \$35,000) • Teacher replacement time • Transportation costs
Surplus/Deficit Handling Plan:	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

Project name:	Agendas for students
Person responsible:	Assistant, Office
Revenue Model:	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$7.00 fee collected for this project.
Purpose:	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in using their agenda. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> • Non-curricular goods
Surplus/Deficit Handling Plan:	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.
Project name:	Athletic Leadership
Person responsible:	Tremblay, Anik
Revenue Model:	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$75.00 fee collected for this project.
Purpose:	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in 7/8 Athletic Leadership. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> • Admission Fees • Educational presentations • Enhanced supplies • Teacher replacement time • Transportation costs
Surplus/Deficit Handling Plan:	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

Project name:	Badminton
Person responsible:	Miller, Chandra
Revenue Model:	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a fee collected for this project.
Purpose:	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in Badminton. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> • Admission Fees • Enhanced supplies • Non-curricular goods • Teacher replacement time • Transportation costs
Surplus/Deficit Handling Plan:	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

Project name:	Band
Person responsible:	Nakonechny, Emilijiana
Revenue Model:	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$50.00 fee collected for this project.
Purpose:	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in 7/8 Band. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> • Admission Fees • Educational presentations • Enhanced supplies • Non-curricular goods • Teacher replacement time • Transportation costs

Surplus/Deficit Handling Plan:	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.
Project name:	Basketball Teams - Boys & Girls
Person responsible:	Taylor, Sinead
Revenue Model:	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a fee collected for this project.
Purpose:	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in 7/8 Basketball - Boys & Girls. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> • Admission Fees • Enhanced supplies • Non-curricular goods • Teacher replacement time • Transportation costs
Surplus/Deficit Handling Plan:	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.
Project name:	Book Fair
Person responsible:	Corbin, Heather
Revenue Model:	Funds collected in this project are generated from donation, fundraising or other revenue sources.
Purpose:	
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> • Enhanced supplies • Non-curricular goods
Surplus/Deficit Handling Plan:	<i>Plan for handling unspent donations, fundraising, or other revenue received:</i> At the end of the year, any unspent funds will remain in the project and be carried forward for future use.
Project name:	Broadcasting and Journalism
Person responsible:	Miller, Chandra

Revenue Model:	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$25.00 fee collected for this project.
Purpose:	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in 7/8 Broadcasting & Journalism. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> • Admission Fees • Educational presentations • Enhanced supplies • Teacher replacement time • Transportation costs
Surplus/Deficit Handling Plan:	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.
Project name:	Cross Country Running Club
Person responsible:	Gartner, Amie
Revenue Model:	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a fee collected for this project.
Purpose:	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in Cross Country Running Club. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> • Admission Fees • Non-curricular goods • Teacher replacement time • Transportation costs
Surplus/Deficit Handling Plan:	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.
Project name:	Digital Design

Person responsible:	Elliott, Kevin
Revenue Model:	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$40.00 fee collected for this project.
Purpose:	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in 7/8 Digital Design. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> • Admission Fees • Educational presentations • Enhanced supplies • Non-curricular goods • Teacher replacement time • Transportation costs
Surplus/Deficit Handling Plan:	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

Project name:	Enterprise & Innovation
Person responsible:	Elliott, Kevin
Revenue Model:	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$20.00 fee collected for this project. Additionally, some funds collected in this project are generated from donation, fundraising or other revenue sources.
Purpose:	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in 7/8 Enterprise & Innovation. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i> The purpose of this project is to account for funds which are generated from Canteen sales or Ornament sales.
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> • Educational presentations • Enhanced supplies • Non-curricular goods • Teacher replacement time

- Transportation costs

**Surplus/Deficit
Handling Plan:**

Plan for handling unspent fees collected from students:

After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

Plan for handling unspent donations, fundraising, or other revenue received:

At the end of the year, any unspent funds will remain in the project and be carried forward for future use.

Project name: **Equipment Replacement fund for Construction**

Person responsible: Winland, Annette

Revenue Model: Funds collected in this project are generated from student fees, as described below:
The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a fee collected for this project.

Purpose: *Student Fee*
The purpose of this project is to collect fees for students to participate in Construction. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website.
Donation/Fundraising/Other

Items/Services to be purchased: *Fees for this project may be used towards the following:*

- Equipment replacement, school with less than 500 students (maximum \$4.00 per student to a maximum balance of \$35,000)

Surplus/Deficit Handling Plan: *Plan for handling unspent fees collected from students:*
After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

Project name: **Equipment Replacement fund for Food**

Person responsible: Winland, Annette

Revenue Model: Funds collected in this project are generated from student fees, as described below:
The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a fee collected for this project.

Purpose: *Student Fee*
The purpose of this project is to collect fees for students to participate in Foods. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website.
Donation/Fundraising/Other

Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> - Enhanced supplies - Equipment replacement, school with less than 500 students (maximum \$4.00 per student to a maximum balance of \$35,000)
Surplus/Deficit Handling Plan:	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.
Project name:	Farewell - grade 8
Person responsible:	Johnson, Stefan
Revenue Model:	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a fee collected for this project.
Purpose:	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in the Farewell - Grade 8. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> - Admission Fees - Educational presentations - Enhanced supplies - Non-curricular goods - Teacher replacement time - Transportation costs
Surplus/Deficit Handling Plan:	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.
Project name:	Field Trip - Gr. 5
Person responsible:	Assistant, Office
Revenue Model:	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a fee collected for this project according to the cost of the field trip.
Purpose:	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in grade level field trips. A detailed breakdown of the project and its associated costs can

be provided to parents as requested. All approved fee maximums are available on the school website.

Donation/Fundraising/Other

Items/Services to be purchased: *Fees for this project may be used towards the following:*

- Admission Fees
- Educational presentations
- Teacher replacement time
- Transportation costs

Surplus/Deficit Handling Plan: *Plan for handling unspent fees collected from students:*

After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

Project name: **Golf**

Person responsible: Baska, Cassandra

Revenue Model: Funds collected in this project are generated from student fees, as described below:
The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a fee collected for this project.

Purpose: *Student Fee*
The purpose of this project is to collect fees for students to participate in golf. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website.

Donation/Fundraising/Other

Items/Services to be purchased: *Fees for this project may be used towards the following:*

- Admission Fees
- Enhanced supplies
- Teacher replacement time
- Transportation costs

Surplus/Deficit Handling Plan: *Plan for handling unspent fees collected from students:*

After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

Project name: **Handmade Crafts**

Person responsible: Tremblay, Anik

Revenue Model: Funds collected in this project are generated from student fees, as described below:
The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a 35.00 fee collected for this project.

Purpose:	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in Handmade Crafts. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> • Admission Fees • Educational presentations • Enhanced supplies • Non-curricular goods • Teacher replacement time • Transportation costs
Surplus/Deficit Handling Plan:	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.
Project name:	Hands on Science
Person responsible:	Streadwick, Julie
Revenue Model:	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$15.00 fee collected for this project.
Purpose:	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in 5/6 Hands on Science. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> • Educational presentations • Enhanced supplies • Non-curricular goods • Teacher replacement time • Transportation costs
Surplus/Deficit Handling Plan:	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.
Project name:	Jasper Ski Trip- Jr.High
Person responsible:	Junior High Teachers

Revenue Model:	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a fee collected for this project which changes based on packages and transportation costs from year to year.
Purpose:	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in the Jasper Ski Trip - Junior High. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> • Admission Fees • Teacher replacement time • Transportation costs
Surplus/Deficit Handling Plan:	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.
Project name:	Make It! Repurpose, Refinish, Redesign
Person responsible:	Gartner, Amie
Revenue Model:	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$40.00 fee collected for this project.
Purpose:	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in Make It! Repurpose, Refinish, Redesign. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> • Admission Fees • Educational presentations • Enhanced supplies • Non-curricular goods • Teacher replacement time • Transportation costs
Surplus/Deficit Handling Plan:	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

Project name:	Miok Moments
Person responsible:	Smith, Ciara
Revenue Model:	Funds collected in this project are generated from donation, fundraising or other revenue sources.
Purpose:	
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> The funds will be used to purchase incentives for Miok Moments. Four \$25 gift cards/month (February - June = 20), a grand prize item, a student plaque, and a school plaque. Miok Moments are focused on recognizing students, from grades 5-8, for showing a strong sense of character (will vary year to year based on the district's theme). Each month, students who have received a Miok Moment will be entered into a draw. One name from each grade level will be drawn for one of the incentive items. At the end of the school year, all students who have received a Miok Moment will have their names entered into the grand prize draw. The winner will also receive a plaque and have their name engraved on the school plaque.
Surplus/Deficit Handling Plan:	<i>Plan for handling unspent donations, fundraising, or other revenue received:</i> At the end of the year, any unspent funds will remain in the project and be carried forward for future use.

Project name:	OLPH Cogito Uniforms
Person responsible:	Johnson, Stefan
Revenue Model:	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a fee collected for this project.
Purpose:	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in OLPH Cogito Uniforms. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> - Equipment replacement, school with less than 500 students (maximum \$4.00 per student to a maximum balance of \$35,000) - OLPH Cogito Uniforms
Surplus/Deficit Handling Plan:	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

Project name:	Outdoor Pursuits
Person responsible:	Elkow, Collin

Revenue Model:	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$100.00 fee collected for this project.
Purpose:	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in Outdoor Pursuits. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> • Admission Fees • Educational presentations • Enhanced supplies • Non-curricular goods • Teacher replacement time • Transportation costs
Surplus/Deficit Handling Plan:	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.
Project name:	Painting / Art
Person responsible:	Borowski, Rhonda
Revenue Model:	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$40.00 fee collected for this project.
Purpose:	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in Painting / Art. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> • Admission Fees • Educational presentations • Enhanced supplies • Non-curricular goods • Teacher replacement time • Transportation costs
Surplus/Deficit Handling Plan:	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be

spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

Project name:	Robotics
Person responsible:	Tremblay, Anik
Revenue Model:	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$35.00 fee collected for this project.
Purpose:	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in Robotics. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
Items/Services to be purchased:	<i>Fees for this project may be used towards the following:</i> • Admission Fees • Educational presentations • Enhanced supplies • Non-curricular goods • Teacher replacement time • Transportation costs
