Dear Parents and Students

### **TERRAIN DE JEU**

L'UniThéâtre is looking at the feasibility of offering theatre related classes to youngsters under a new initiative entitled « Terrain de Jeu ».

We have received several queries lately asking if we currently have classes on offer throughout the year. Unfortunately we do not, but it is something that greatly interests us and is indeed part of our future plans. Therefore, we are canvassing parents and students to determine whether there would be sufficient interest and participation in such a program.

To briefly outline:

We envision offering two separate streams:

A one and a half hour class for 6 to 10 year olds, once or twice a week (to be determined according to interest).

A two hour class for 11 to 15 year olds, once or twice a week (to be determined according to interest).

The cost of the classes would be determined based on the number of registrants we receive.

Instructors would be young professionals from the community who are dedicated to theatre and education.

We hope that you will take the time to respond to this query by **the end of May 2015** to help us determine a proper plan of action for 'back to school' in September 2015.

Thank you for your kind attention and consideration. We recognize that the healthy future of French language theatre in Edmonton depends on the participation and engagement of our young people.

Respectfully,
