

The OLPH Parent Association is excited about our joint fundraising initiative to **revitalize the school library** and create a space the kids will be excited about using. The proceeds from this Spring Raffle will be used to help fund this project.

All Kids are asked to sell 1 book of tickets (\$2/tix - 25 per book). Books of tickets sold will be tallied individually per child as well as by the classroom. A **giftcard** will be given to the child who sells the most raffle books as well as a **PIZZA PARTY** thrown for the classroom who sells the most raffle books in total!!

Yes I want to help support our school library.
